About WM Technology

Founded in 2008, WM Technology, Inc. operates a leading online cannabis marketplace for consumers together with a comprehensive set of commerce and compliant advertising solutions for cannabis businesses and brands in U.S. state-legal markets. WM Technology holds a strong belief in the power of cannabis and the importance of enabling safe, legal access to consumers worldwide.

Over the past 18 years, the Weedmaps marketplace has become a premier destination for cannabis consumers to discover and browse cannabis-related products, access daily dispensary deals, order ahead for pick-up and delivery by participating retailers (where applicable) and learn about the plant. The Company also offers eCommerce-enablement tools designed to help cannabis retailers and brands reach consumers, create business efficiency, and manage industry-specific compliance needs.

Headquartered in Irvine, California, the Company is committed to advocating for full U.S. legalization, industry-wide social equity, and continued education about the plant through key partnerships and cannabis subject matter experts. Visit us at www.weedmaps.com.
